25X1

Ghana: Armed forces commander Mike Otu, who was arrested yesterday for "suspected subversive activities," had raised the ire and distrust of key senior officials in recent months by his hard-driving tactics. The ruling military council ordered his arrest after receiving reports [redacted] that Otu was plotting with Nkrumah supporters in London. There is no other corroboration of these allegations. No major political repercussions are expected to occur as a result of the arrest. [redacted]
